Conservateur du Musee du Cambodge
Phnom Penh, Cambodia, French Indo-China.

Dear Sir:

Mr. Harrold E. Gillingham, treasurer of this Society and who has been in correspondence with you for some time, has just sent to us four silver coins and medals of Cambodia for our cabinet. We are most pleased to receive these as we do not very often get pieces from your country. These have been credited with your name and are now on exhibition. I beg to remain

Very sincerely yours,

HW:JG

Curator
